2021

PROFESSIONAL EXPERIENCE

University of Guelph

Guelph, Ontario

Research Assistant – Corporate Bonds in International Markets

Sep 2024 – Jul 2025

– Used Excel and Python to analyze credit rating data for 300,000+ corporate bonds via Bloomberg and Refinitiv Eikon APIs

– Collaborated with Dr. Fred Liu to interpret findings and contribute to empirical reports on bond pricing and liquidity premiums

Threadleaf Capital

Toronto, Ontario (Remote)

Private Equity Analyst – Lower Middle Market Healthcare Buyouts

May 2023 – Dec 2023

– Screened 100+ potential targets weekly and conducted CIM reviews for four post-LOI acquisition opportunities

Notable Project:

– Post-LOI Due Diligence for a U.S.-Based Behavioral Health Company (~\$35M TEV)

◦ Conducted DCF, LBO, and precedent transaction analyses to assess investment potential

◦ Authored an industry report on U.S. behavioral health, highlighting Medicaid reimbursement rates as a key growth factor

Burrito Boyz

Toronto, Ontario

Corporate Finance and Strategy Intern

Jan 2023 – Apr 2023

– Modeled ROI, payback, and DCF scenarios for new site openings, pricing changes, and cost-reduction initiatives

– Built annual P&L budgets and developed quarterly three-statement forecasts for 50+ locations, improving forecast accuracy to $\pm 4\%$

EXTRACURRICULAR ACTIVITIES

Guelph Student Investment Council

Guelph, Ontario

Senior Analyst

Jan 2023 – May 2025

– Led analysts in analyzing and pitching power & utilities, TMT, and consumer companies for a \$140,000 AUM long-only equity fund

– Won an internal stock pitch competition with a long thesis on Cameco Corporation (TSE: CCO):

– Stress-tested a DCF using a \$75/lb uranium price (RBC base case) and 10% WACC, implying a ~30% share price upside

– Highlighted the U.S.-Russia uranium ban and Cameco's 49% Westinghouse stake as key demand and diversification catalysts

Lang Students' Association

Guelph, Ontario

Peer Mentor

Sep 2024 – May 2025

– Provided academic mentorship to lower-year Commerce students at the University of Guelph

Bank of Canada Governor's Challenge

Ottawa, Ontario

Hosted by the Bank of Canada – 2nd Place

Dec 2024

– Contributed labour market research to support our team's 0.25% policy rate cut proposal, placing 2nd out of 26 universities

– Wrote a policy brief on AI-driven job displacement and potential mitigation strategies: <https://tinyurl.com/tyler-tanti-BoC-report>

Battle on Bay Case Competition

Toronto, Ontario

Hosted by the Ted Rogers Finance Society – 3rd Place, \$1,000

Jan 2024

– Placed 3rd of 16 universities for Qualcomm pitch; presented thesis, equity research, modeling, and strategic M&A recommendation

PERSONAL

– **Technical Skills:** Bloomberg Terminal, C++, FactSet, Python, Microsoft Office Suite, Refinitiv Eikon, S&P Capital IQ

– **Interests:** Basketball (10+ years of AAU, varsity, coaching), Chick-fil-A, Golf, Travel (visited 20+ countries and U.S. states)
